

SCHEDULING NOTE – *LEAVE IT ON THE FLOOR*

FOR IMMEDIATE RELEASE

July 28, 2011

The distributors of the film *Leave It on the Floor* this week informed us that the film has been invited to screen at the Toronto International Film Festival (TIFF) in September. Because TIFF requires that each film screened is a North American premiere, *Leave It on the Floor* has been replaced in the Vancouver Queer Film Festival line-up.

While we are disappointed by their decision, we wish to congratulate the filmmakers on their selection by one of the largest film festivals in the world.

We are also excited to announce that Canadian Premier of *The Wise Kids*, directed by Stephen Cone will now screen on August 13, 9:30 and August 20, 9:30.

Audience members with *Leave It on the Floor* tickets can contact our office at 604-844-1615 to exchange their tickets or obtain a refund.
